General Information for Filling Out Entry Forms

A and B Sections: Exhibitors must specify on the entry form if they are going to compete in the A or B section for each search. Both sections will have the exact same search.

- **A Section** is for dogs that are completely new to the sport of nosework and do not have a title in either UKC or an equivalent title in another organization, such as NACSW or AKC.
- **B Section** is for all other dogs. If you have an equivalent title in another nosework organization, such as NACSW or AKC, you must compete in the B Section. If you are a licensed or professional dog trainer, nosework instructor, or a person licensed to officiate nosework in any organization you must compete in the B section whether or not you have a nosework title. Once you receive a title you can continue to show in the B section. **See page 8 of the rule book for any clarification on A and B classes.**
- **For your planning purposes:** You need two (2) passes (qualifying runs) in an element to receive the element title. You need three (3) Passes in Handler Discrimination to title.
- **Our official UKC Nosework Entry form MUST be used for all entries.**

Awards

- A **Qualifying ribbon** will be awarded to all qualifiers.
- A **Placement ribbons** will be awarded for first through fourth place in each element in the A and B sections.
- A **Title Ribbon** will be awarded to dogs who have passed two legs in any element, or 3 legs in Handler Discrimination.
- A **Title Rosette** will be awarded to dogs who have passed all four element titles in a level.
- **Pins** will be awarded to dogs who attain their first title per level. (Only one pin per dog is awarded per level.)
